・Our products are made from 18K gold.
・SAKURAGOLD™ is original type of gold made by TASAKI. Some parts of our products, such as chains, are made with other types such as pink or yellow gold.
・Our platinum is Pt950. Some parts of our products are made with Pt900 platinum.
・Product specifications are subject to change without prior notice.
・Actual size and colour may differ from photographs.
・Some items may not be available at every location.
・Please contact TASAKI store or TASAKI customer service for any further enquiries.
